We have all been touched by cancer in some way, but sadly those in eastern Kentucky are experiencing a cancer epidemic like never before. Through your participation in this year's ARH Foundation Charity Golf Classic you have the opportunity to become a partner in the fight against cancer as we continue to change the way care is delivered in the mountains.

The ARH Foundation, a charitable, tax-exempt 501 (c) (3) fundraising arm of the Appalachian Regional Healthcare system, along with UK HealthCare, has launched a fundraising campaign to assist in funding a \$5 million expansion of the ARH Cancer Center in Hazard, Kentucky.

Opened in 2007, the ARH Cancer Center offers some of the most advanced technology and treatment options for cancer in the region. However, as the number of patients diagnosed with cancer steadily rises, the center desperately needs to expand to accommodate these patients' needs. This expansion will nearly double the size of the existing cancer center and will add the latest in cutting edge equipment to ensure patients get the cancer treatments they need to fight this disease.

Whether you participate as a sponsor or golfer, the ARH Charity Golf Classic is an excellent opportunity for you and your organization to assist ARH in helping our patients.

With that in mind, we hope that you will consider spending an afternoon on the golf course with us at the Keene Run Golf Club, Champions Course in Nicholasville, Kentucky, and will join with us as we continue to make a difference in the lives of the people we serve.
